Project discussions included:

1. Rainier Historical Society wants to put display cabinets in the upstairs room. Debbie said the community room will hopefully be ready this winter and wanted to give REDCO a heads up because they might be asked for a monetary contribution. Sloan said that we could possibly push back the temporary wall in order to display the cabinets and would like to contact them.
2. Healthy Kids, Healthy Community recommended putting in radar speed signs on both ends of town in the 30 MPH zone. Sloan researched and two signs costs a little over \$8,000.00. Sloan was going to ask for support at Council level but REDCO might want to support as well. Debbie applied for a grant from Port of St. Helens that would reimbursement the cost but has not heard back yet. Sloan was going to wait on asking REDCO and just ask Council.
